

rascal 889

POWERFUL AND ROBUST

The Rascal 889 is the new robust scooter from Electric Mobility. If you enjoy the outdoor lifestyle and need a scooter that is powerful and stands out from the crowd – then the 889 is for you.

Built to the highest specification including fully independent front suspension, a 1.9hp motor and stylish 14" wheels, the 889 will cope with nearly all types of terrain. Capable of carrying up to 35 stones in total comfort, with a top speed of 8mph and a 38 mile range, the 889 truly out performs the rest.

rascal 889

The new Class 3 Rascal 889 incorporates all the safety features you would expect of an on-road scooter, plus the latest controller technology and a fully adjustable luxury seat that allows you to personalise your driving position. Ideal for the country or around town, the 889 combines robust design with day long comfort.

When you need a scooter that is robust, reliable and has the power to perform in more challenging situations – you need the Rascal 889.
